Infinedi
ELECTRONIC DATA INTERCHANGE

Welcome to Infinedi

Providing your office with complete Revenue Generation Tools for claim processing to all payers from a single web portal.

- Convenient** One Web Portal for all transactions
- Fast** Rapid turn-around of claim editing, processing and Payer specific reports.
- Professional** 22 years in business, recognized across the U.S. as a leader in Claims Processing.
- Easy-to-Use** User friendly, single portal access for all payers and services.
- Affordable** Competitive pricing with several levels of services.
- Easy Access** Toll-free hotline to unlimited free Customer and Technical support.
- Secure and Compliant** Rest assured knowing that your data is HIPAA compliant and multi-state CMS approved. EHNAC certified for electronic transactions.

- **Individual Provider and Payer Payment Profiling**
Your claims are securely profiled to provide you with daily views of trends in procedures, payments and processes.
- **Visually Integrated Claim processing**
Our newest system will reduce your claim processing time by using visual cues to "guide" you to areas of problems and spending less time on good claims.
- **Payer Payment Comparison**
Infinedi will track your payment process comparing what you "should be paid" to what you "were paid." **Coming Soon....**
- **Statistical analysis of claim information**
By performing continuous analysis of information, your office can make better and more timely decisions.
- **On-Line HIPAA training for your staff**
Introduce or update your staffs knowledge with required HIPAA compliance training. **Coming Soon....**
